Due to the early peak in flu-like symptoms and cases this year, the School Nursing Service will be holding catch-up sessions for the nasal spray flu vaccination. These clinics are available to all school-aged children who have not yet received their vaccination due to absence, refusal, contraindication, or a non-returned consent form. We welcome you to click on the link below to book an appointment for one of our catch-up sessions. **Booking is essential, as spaces are limited.**

If you experience any difficulties booking an appointment or require further information, please contact us at: SBU.schoolnursing@wales.nhs.uk or 01639 862801.
