# Spring Term Homework 2026

## Year 1 and 2

Our theme this term is 'After the Wind and Rain, the Sun Appears.' During the term we will be collecting homework in order to celebrate the children's work which will be displayed on our home-school board.

Here is a list of ideas of activities you could complete. Remember, the list is endless!

- Visit your local library. Choose your favourite book/books and write a book review. Include facts and pictures in your review.
- Listen to the music from the film 'The Snow Man' and discuss feelings/ likes/dislikes etc ...
- Create a winter collage using different materials.
- Can you draw a picture of yourself in each season? Divide the page into 4 and draw yourself in the autumn, winter, spring and summer. What colour are the trees? What will you wear? What's the weather?
- It is cold outside and the little garden birds are getting hungry! Can you make a bird feeder to hang in your garden?
- Yoga - Animal Shapes
- Choose an animal that was on Noa's Ark and make a fact file about that animal.
- We have lots of rain this time of year! Can you make a rain gauge to measure the rainfall in your garden?
- Mark out a distance of your choice. Pick 5 animals, you have to complete that distance moving like the animal. Which one is the quickest? Why? Take pictures and videos.
- Practise your handwriting.
- Read your individual reading books.

We encourage you to bring your work into school as soon as it's ready.

Good luck and enjoy!
